Get It Right

1. A simple sentence has **one subject and one predicate**.

2. It shows **one thought or an idea**.

Examples:

Aishah is in the library.

I have two brothers.

3. A compound sentence has **two or more simple sentences** joined by a **conjunction** (*and, but, or, nor, so, yet, for*).

Examples:

My father was tired **so** he went to bed early.

I like pizza **but** I do not like spaghetti.

We can visit the museum **or** the zoo next week.

My uncle does not smoke **nor** drink.

She was late for school **for** she missed the bus.
