Happy Birthday

It's a very special day for everyone. On their birthday, children usually have parties and a big cake with candles. Their friends and family sing 'Happy Birthday' and give them presents. Each country celebrates birthdays in different ways.

In Denmark they put a flag outside the child's bedroom window. Parents also put presents around the child's bed at night and the child sees them in the morning.

In Canada friends and family put butter on the child's nose for good luck.

In the Netherlands children give sweets to their classmates. The teacher also makes a birthday hat for the birthday child.

In Argentina girls have a big birthday party on their 15th birthday. At the party, the birthday girl dances with her father and friends.
