

# ENGLISH TEST

Student's name:  
Class:

## Part 1: Pronunciation.

Choose the word that has different stress.

- A. library                      B. museum                      C. melody

## Part 2: vocabulary:

He works ..... the farm.

- A. on                              B. in                              C. About

## Part 3. Choose the correct word / phrase to complete the sentences.

Tomorrow my family ..... to Ho Chi Minh City.

## Part 4. Choose the word or phrase in box to fill in the paragraph.

Computer                      sitting                      time                      Secondly                      much

In my opinion, using the (1)..... as your hobby can be harmful to both your health and your social life. Firstly, (2)..... all day in front of the computer can cause health problems such as eye-tiredness and obesity. (3)..... you may get irritated easily. Besides, if you use the computer too (4)....., you will not have time for your family and friends. In short, computers should only be used for a limited (5).....

## Part 5: Match the word with right picture.

Car

Bus

## Part 6: Listening.

Listen and write down you hear.

*The end*
