

If I fell (The Beatles)

If I fell in love with you
Did you promise Would you promise to be true
And help me understand
'Cause I've been in love before
And I found that love was more
Than just holding hands
If I give my heart to you
I *must be will be* sure
From the very start
That you would love me more than her
If I trust in you, oh please
Don't run Won't run and hide
If I love you too, oh please
Don't hurt Won't hurt my pride like her
'Cause I *wouldn't couldn't* stand the pain
And I *would be will be* sad
If our new love *was is* in vain
So I hope you see
That I would love to love you
And that she *would will* cry
When she *learns we are learnt we were* two
'Cause I couldn't stand the pain
And I *would be will be* sad
If our new love *was is* in vain
So I hope you see
That I would love to love you
And that she *would will* cry
When she *learnt we were learns we are* two
If I fell in love with you
