SWEET TOOTH - REVIEW

They _____ it the Great Crumble. With no cure or treatments for the deadly H5G9 virus, the Sick only _____ a couple of days from the time the first symptoms _____ (their pinky fingers shaking) to the time they _____. Panic set in. Mandatory quarantines were _____. Violators were shot on sight. Hospitals _____ with patients they couldn't offer relief to. And the world _____. But as the world _____ into chaos, something extraordinary _____ ... Hybrids—half human, half animal—were born. Perhaps the greatest mystery is whether these children _____the virus or the virus caused the children. But since they can't contract (or spread) the disease, one thing is for sure: Hybrids are the future.

(CALL - REG.) **(HAVE - IRREG.)** **(BEGIN - IRREG.)** **(DIE- REG.)** **(ENFORCE - REG.)** **(FLOOD - REG.)** **(BURN- REG.)** **(SLIP - REG.)** **(HAPPEN - REG.)** **(cause - REG.)**

Curiosity:

If you have a sweet tooth, you like eating sweet foods, especially sweets and chocolate.

From Cambridge Dictionary

Sweet Tooth is based on the comic book of the same name by Jeff Lemire.

FAKE OR REAL?
