HATCHET by Gary Paulsen

Directions: Draw a line from the word on the left to the picture/story section

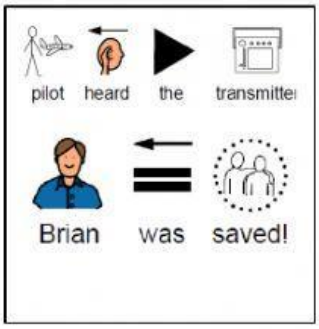

1. Beginning

2. Middle

3. End

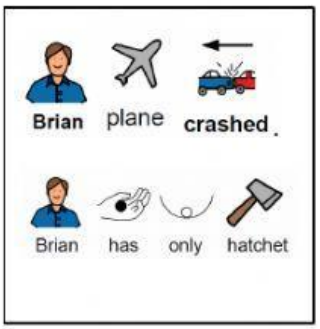

4. Summary

On the way to see his father, Brian's plane crashed into a lake. He was alone and lost in the woods with only the hatchet his mother had given him. He used the hatchet to make tools for getting food and making shelter. He was able to use an emergency transmitter from the plane to signal for help and was rescued.
