SOMEBODY THAT I USED TO KNOW by Gotye.

Now and then I think of when we were together

Like when you **sayed / said / saied** you felt so

happy you **could / coold / kould** die

Toll / Telled / Told myself that you **was / were** right

for me.

But **feeled / felt / fell** so lonely in your company.

But that **was / were** love and it's an ache I still

remember.

You can get addicted to a certain kind of sadness.

Like resignation to the end, always the end.
So when we _____ (find) that we could not make sense.
Well you said that we would still be friends
But I'll admit that I _____ (be) glad that it _____(be) over

But you **didn't had / diden't have / didn't have** to cut me off.
Make out like it never _____ (happen)
And that we _____(be) nothing
And I don't even need your love.
But you treat me like a stranger.
And that feels so rough
You _____ (not) have to stoop so low
Have your friends collect your records.
And then change your number.
I guess that I don't need that though
Now you're just somebody that I _____ know.

Now and then I think of all the times you **screwed / screwd** me over.
But **had / haved** me believing it _____(be) always something that I'd done
And I don't wanna live that way
Reading into every word you say
You said that you _____let it go
And I wouldn't catch you hung up on somebody that you _____

But you _____ have to cut me off
Make out like it _____ happened
And that we _____ nothing
And I don't even need your love
But you treat me like a stranger
And that feels so rough
You didn't _____ to stoop so low
Have your friends collect your records
And then change your number
I guess that I don't need that though
Now you're just _____ that I used to _____

I used to _____
That I _____
Somebody ...
