Reading Comprehension-Test 1

Reading Comprehension: Reflects

I. Read the text again (book p. 96-97) and write the times under the pictures

8:00 a.m.
8:05 a.m
10:00 a.m
11:30 a.m.
7:00 p.m.

II. Choose the best answer for each question. One alternative is not used:

- Because they need to relax.
- Because they want to get informed.
- Because it will show them that the tsunami danger is over.
- Scientists monitor earthquakes activity in the ocean.
- Because it is where the main danger is.

1. Why do people turn on the news when they hear the siren?

2. Why do people have to leave the beach?

3. Why do people wait for the all-clear signal before they go home?

4. How do people in Hawaii protect themselves from tsunamis?
