Lesson 04.03a: Spittin' Seeds

Printable Activity: Bundles Of Watermelon Seeds

Bundles Of Watermelon Seeds

Watermelon slices are like rods—1 slice has 10 seeds and is like 1 rod. Single seeds are units that model 1. For each question, write how many seeds there are in all. Use what you know about skip counting to count large numbers.

Example:

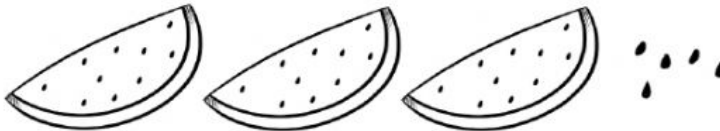

1.

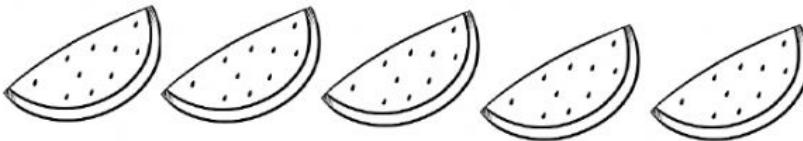

2.

3.

4.

5.
