

MATH – REVIEW FOR MIDTERM TEST (continue)

Task 1: Look AND write.

0.

1.

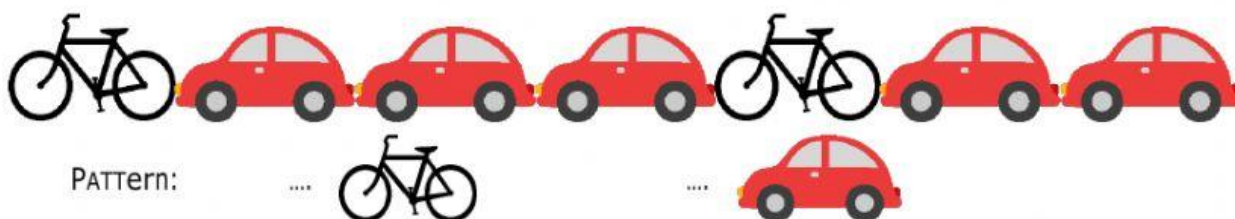

2.

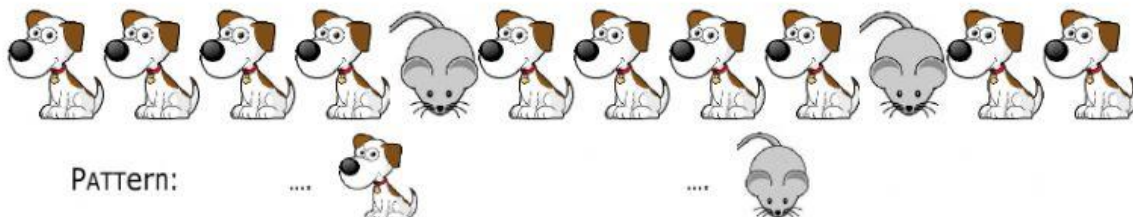

3.

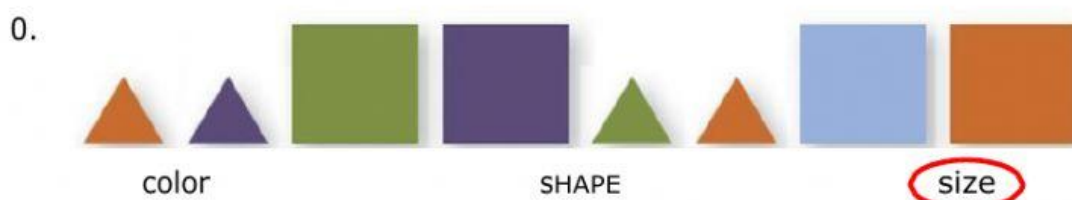

4.

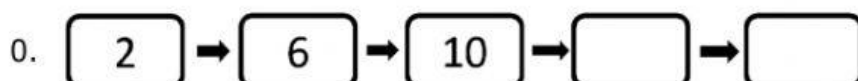

5.

Task 2: Look AND circle the correct PATTERN.

Task 3: Look AND write.

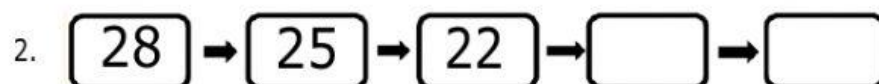

PATTERN: +4

Increasing sequence

PATTERN:

..... sequence

PATTERN:

..... sequence

3. $\boxed{9} \rightarrow \boxed{16} \rightarrow \boxed{23} \rightarrow \boxed{} \rightarrow \boxed{}$
 Pattern: **7** sequence

4. $\boxed{29} \rightarrow \boxed{24} \rightarrow \boxed{19} \rightarrow \boxed{} \rightarrow \boxed{}$
 Pattern: **7** sequence

5. $\boxed{32} \rightarrow \boxed{26} \rightarrow \boxed{20} \rightarrow \boxed{} \rightarrow \boxed{}$
 Pattern: **7** sequence

Task 4: Look AND write "less than/ greater than/ equal to".

			 umbrella		 bucket	 cup
10	5	2	8	5	2	9

- The number of books is **greater than** the number of pens.
- The number of bikes is the number of buckets.
- The number of cups is the number of books.
- The number of tables is the number of umbrellas.
- The number of buckets is the number of pens.
- The number of cups is the number of tables.
- The number of pens is the number of tables.
- The number of bikes is the number of cups.
- The number of umbrellas is the number of buckets.

Task 5: Look AND write. balanced/ imbalanced
