## Written Composition

## The Day I became a Fish

**Create a story about your day as a fish. Be sure to include:**

- who the characters were
- where you were
- when this took place
- how you became a fish
- what you did while you were a fish
- how you solved this problem and how you became a human again

You should have at least 10 sentences or more. Begin with capital letters and end with punctuation marks. Make your story interesting. Use good spelling.
