"Fix You" by Coldplay

When you try your best, but you don't succeed

When you get what you _____, but not what you _____

When you feel so tired, but you can't _____

Stuck in reverse

And the tears come streaming down your _____

When you lose something you _____ replace

When you _____ someone, but it goes to waste

Could it be worse?

Lights _____ guide you home

And ignite your bones

And I _____ try to fix you

And high up above or _____ below

When you're too in love to let it _____

But if you never try you'll never know

Just what you're worth

Lights _____ guide you home

And ignite your bones

And I will try to _____

Tears stream down your _____

When you lose something you _____ replace

Tears stream _____ your face and I

Tears stream down your face

I _____ you I will learn from my mistakes

Tears stream down your face and I

Lights _____ guide you home

And ignite your bones

And I _____ try to _____
