Today is _____

My Name is _____

Making Inferences

Instructions: Read and make an inference (or a guess) about each one. Choose the right one! A parent or guardian should read to the student to help them record their answers.

An **inference** means that you are making a guess about something.

1. **Laura sat down beside her friend Allie and opened her lunchbox. What is your guess?**

a. Laura is going to draw a picture.

b. Laura is going to eat lunch.

c. Laura is going to take a nap.

2. **The movie ended and everyone clapped. What is your guess?**

a. They wanted to see another movie.

b. The movie was about to start.

c. They liked the movie.

3. **The students sat in a circle and the teacher opened the book. What is your guess?**

a. The teacher is going to read a story

b. The students were going to play outside.

c. It is time for lunch.
