

My Immortal

Complete the song with the words in the box.

I'm so tired of being here, suppressed by all my
childish

And if you have to leave, I wish that you would just
leave

Your presence still here and it
won't leave me alone

These wounds won't seem to, this
pain is just too

There's just too much that time cannot

When you cried, I'd away all of your
tears

When you'd scream, I'd fight away all of your

And I held your hand through all of these years
But you still have all of me

You used to captivate me by your resonating light
Now, I'm by the life you left behind
Your face it haunts my once pleasant dreams
Your voice it away all the sanity in me

These wounds won't seem to,
this pain is just too

There's just too much that time cannot erase

When you cried, I'd wipe away all of your tears
When you'd scream, I'd fight away all of your

.....
And I held your hand all of these
years
But you still have all of me

I've tried so hard to tell myself that you're gone
But though you're still with me, I've been alone all
along

When you cried, I'd away all of your
tears

When you'd scream, I'd fight away all of your
.....

And I held your hand through all of these years
But you still have all of me, me, me

EVANESCENCE
