THEN DRAG THE FIGURE TO THE CORRECT POSITION. Ordena la historia del 1st al 5th , debes arrastrar el numero luego arrastra cada figura a su posición

**The Ant and the Grasshopper**

**1<sup>st</sup>** One summer's day a Grasshopper was hopping. **2<sup>nd</sup>** An ant passed by taking corn to the nest. "Why not come and chat with me," said the Grasshopper. **3<sup>rd</sup>** "I am helping to get food for the winter I recommend you do the same," said the Ant.

"Why bother about winter? We have got plenty of food at present." said the Grasshopper. But the Ant went on its way and continued.

**4<sup>th</sup>** When the winter came the Grasshopper had no food and found itself dying of hunger – **5<sup>th</sup>** while it saw the ants distributing everyday corn they collected in the summer. The Grasshopper finally learned.

Moral: It is best to prepare for days of need.
