Into the Forest

I like nature.
I like going to the forest on weekends with my family.
We like climbing the mountains in the forest.
There are many trees and beautiful plants in the forest.
There are a lot of animals living there, too.
We bring some fruit and bread for a snack.
There is a big lake near the forest.
Sometimes we go fishing there.
There's a lot of fresh air and fresh water all around.

READ AND CHECK:

1- Where does the boy like going?
