My wife and I are looking for a unique person to work with us at the Nilgiri Tiger Reserve. We run a nature park that is home to 56 adult tigers and an education center which hundreds of schools visit each year. The job is a little unusual as it will involve living in an isolated place and doing a variety of duties. We need someone who can help with the general management of the park, teach children at the education center, and lend a hand at home. We have three children, two boys and a girl, between the ages of 8 and 12. We live 15 miles from the children's school, so we have to drive them each day. The main duties of the person we need include:

- ⦿ Booking school trips to the park and organizing teaching material at the education center
- ⦿ Managing accounts and looking after any shopping that needs to be done
- ⦿ Managing staff at education center, as well as the tiger experts that we hire on a regular basis
- ⦿ Teaching classes about the need to protect tigers and their environment
- ⦿ Driving our children to and from school when my wife and I are unable to
- ⦿ Occasional childcare

The ideal candidate should have experience working with children in an educational environment, as well as a good knowledge of wildlife and nature. Knowledge of tigers in particular would be an advantage, but it is not essential. As we have many tourists visiting each year, knowledge of at least one foreign language is necessary. Computer literacy and experience managing accounts is very important. Most important is that the person enjoys working with people and is prepared for a very unique experience! Here in the park we spend long periods of time away from stores and city life, so don't apply if you don't enjoy peace and quiet, as well as a little adventure!

The successful candidate will not be working with tigers directly, so there is no danger involved. A driver's licence is essential. We are offering an excellent salary, free accommodation and 28 days paid vacation each year.

Please send your applications to jobs@nilgiri.in

READING COMPREHENSION

Nilgiri Tiger Reserve

1. Many schools visit the Nilgiri Tiger park each year. ☐
