On the street

Look to the left, look to the right

Then look to the left again.

What do you see? on the street?

Do you see a car? No, no. Do you see a bike? No, no.

Then , , go straight

Out and about and off to school

, turn left, but don't be late

Turn right, , but don't be late.

turn left

cross the street

What do you see

go straight

Turn right
