Does Sandra like the hostel? **Yes, she does** **No, she doesn't**

The Cave Hostel

This is a great hostel in Göreme, in Turkey. It's in Cappadocia, a very old part of the country. You can do lots of things here. My favourite thing is going in a hot air balloon. You can see really beautiful places from the air.

The hostel has different rooms with different prices. On the first floor, there are small rooms for two people with baths. On the second floor, there are big rooms with six beds in them. They're very cheap, but there isn't a shower or a bath in the big rooms. There aren't any blankets or pillows – you pay for those. There isn't a restaurant or café in the hostel, but there's a kitchen on the ground floor. There aren't any TVs in the rooms, but there's free wi-fi. It's a very simple place to stay, but it's clean. And the people are very friendly. Faruk, the manager, sings karaoke really well!
