

# EXERCISE FOR UNIT 1

Name: \_\_\_\_\_

Class: \_\_\_\_\_

## I. Listen and tick the correct picture:

|                                                                                    |                                                                                     |                                                                                      |
|------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------|
|   |    |   |
|   |    |   |
|   |    |    |
|  |  |  |

## II. Choose the correct word:

apple

bird

cat

dog

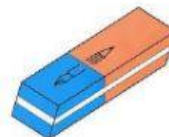

|                                                                                     |                                                                                     |                                                                                      |                                                                                       |
|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|
|  |  |  |  |
| _____                                                                               | _____                                                                               | _____                                                                                | _____                                                                                 |

## III. Look and write.

1. What's this?

\_\_\_\_\_

2. What's this?

\_\_\_\_\_

3. What's this?

\_\_\_\_\_

4. What's this?

\_\_\_\_\_
