modest	talented	passionate	confident

Girls conquer the Voice Contest.

Thu Anh was born to a family of artists. As a child she was (1) _____ about singing.

Her parents soon realized that she was a (2) _____ singer, but they encouraged their daughter to finish her secondary school. The girl got several awards in local competitions before she won first place in the recent Idol contest. The teen contestant's professional voice and (3) _____ performance conquered the audience and the panel judges. TV viewers liked her (4) _____ manners in public. Everyone agreed that she was the right choice.
