## Picking Pumpkins

On the ground,  
On the vine,  
Three little pumpkins  
All in a line.

One was too big,  
One was too tiny,  
One was just right,  
All orange and shiny.

I can read the poem  
three times.

I can circle rhyming  
words.

I can draw a picture  
of the poem.

① What is the setting of the poem?

---

---

② How many pumpkins were there?

---

---

③ Describe the pumpkin the author liked.
