L.B. and Pasqual enter into a **contract**.

contract = legal, verbal agreement between 2 people or groups

Notice these points:

1) **legal**—> a contract is a **LAW** between the people who agreed to it; if someone breaks the contract, s/he may have to page huge fines (money) or go to jail

2) **verbal**—> **words** make the contract, oral (spoken) or written; most people prefer written contracts because it's easy to lie about what you said, but not about what you signed

Is the contract between L.B. and Pasqual oral or written? _____
