I absolutely adore travelling. I love visiting foreign ,  
going , tasting the local  and  new  
people. I am of the opinion that travelling makes you , more  
tolerant and more optimistic. You stop caring about  things  
like clothes, shoes and electronic gadgets. You realise that  
experience  and adventures are the real treasures that  
make a person rich. When you travel, you  other people,  
their habits, their way of  and their . You become a  
citizen of the world.
