

## Lullaby- The Cure

On 1\_\_\_\_\_ stripe legs the Spiderman comes  
Softly through the 2\_\_\_\_\_ of the evening sun  
Stealing past the windows of the blissfully dead Looking for  
the victim 3\_\_\_\_\_ in bed  
Searching out fear in the gathering gloom and Suddenly  
A movement in the corner of the room  
And there is nothing I can do  
When I realize with fright  
That the Spiderman is having 4\_\_\_\_\_ for dinner tonight  
Quietly he laughs and shaking his head  
5\_\_\_\_\_ closer now  
Closer to the foot of the bed  
And softer than 6\_\_\_\_\_ and quicker than flies  
His arms are all around me and his tongue in my eyes  
Be still be calm be quiet now my 7\_\_\_\_\_ boy  
Don't struggle like that or I will only love you more  
For it's much too late to get away or turn on the 8\_\_\_\_\_  
The Spiderman is having you for dinner tonight  
And I feel like I'm being eaten  
By a thousand million shivering furry 9\_\_\_\_\_  
And I know that in the morning I will wake up  
In the shivering cold  
And the Spiderman is always 10\_\_\_\_\_
