Complete the paragraph with the adverbs given.

**beautifully hard carefully too straight
very perfectly fast accurately usually**

Long ago, the craftsmen took a long time to carve chests. They worked day and night. This antique chests had carved lids, sides and legs. They are decorated with nature motifs such as exotic flowers and animals. Some of these chests were made without using any nails. The craftsmen were good at fitting the parts of the chests and .

Nowadays, chests are mass produced. Even though the factory workers work to meet schedules but they make sure the task is done well. Once the chests are made, they are packed . Then they are sent to the furniture shops around the country.

However, antique chests are still popular and have captured the hearts of many antique collectors and other people.
