farming

Hi kids!

Today I am going to tell you about our crops and our diet.

Do you remember that I told you that our River _____ flooded? When it went down it was time for us to start _____ and we had to collect the crops before it started to flood again!

We grew wheat to make _____ and we also grew barley which we used to make _____.
To make cloth we planted _____, which is a plant with blue flowers.

We also had fruit in our diet and vegetables too. For example, we ate onions and dates and _____.

As I was a pharaoh I could eat _____. It tasted delicious!

Cleopatra.
