An email

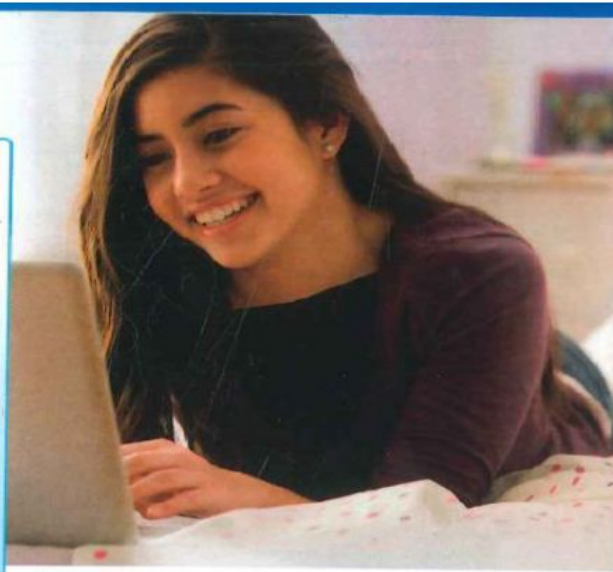

Hi Luke,

What are you up to? I've just played a new video game with my brother. It's called 'Rollerblade heroes 3' and it's an adventure game. Have you played it? It's a game for two players and you have to skate around a city to collect special coins. It was great fun, 😊 but I found it very difficult because you have to be very fast. We played it three times and I lost every time. 😞 I was really annoyed because my brother was really good! Anyway, I'm going to practise more so I can win. Next time, you could play with us if you want.

Hope you're enjoying your weekend!

Bye for now,

Natalie
