Lily : Hi Dina! What are you reading?

Dina : I am reading a book about superstitions.

Lily : You mean, like if you \_\_\_\_\_ a mirror, you will have bad luck for seven years?

Dina : Yes. However, did you know that if you \_\_\_\_\_ a glass and it breaks, you should expect something good to happen to you?

Lily : That is interesting! I always say ‘ \_\_\_\_\_ ’ wood when I want to avoid bad luck.

Dina : Yes, I do that too. Did you know that you will have bad luck if you \_\_\_\_\_ some salt?

Lily : I didn't know that.

Dina : Don't worry. To make sure you don't have bad luck, just throw some of it over your shoulder.

Lily : Thanks for your tip. You should also avoid walking under a ladder as it can \_\_\_\_\_ you bad luck.

Dina : Yes, I have heard of that. I also heard that in Japanese culture, you should try to \_\_\_\_\_ a black cat as it will bring good luck. However, the common superstition is if a black cat \_\_\_\_\_ in front of you, it will bring bad luck.

Lily : I will keep that in mind. Did you know that you must not \_\_\_\_\_ your nose or you will have a fight with someone.

Dina : Yes, I read about that too.
