

Dayglow - Close To You (fill in the blanks)

[Verse 1]

I _____ for the side door
You _____ to stick around for
The rest of the night
I _____ that's alright
They all _____ when you _____ home
It _____ sense that they all
It _____ only for you
If only you knew

[Pre-Chorus]

What good _____ love
Without any strings?
_____ it above
_____ in between
_____ me for once
What that even
I _____ you
But _____ it right

[Chorus]

_____ something on my mind
_____ something that I
(Wish I would've told you, but you just
don't seem)
(To wonder what _____ when
_____ close to me)
Oh yeah
_____ something on my chest
I _____ I would've said
(I think it over and it might be true)
(I'm only overthinking when I'm close
to you)

[Verse 2]

We _____ eyes from a distance
So close, but I _____ it

Now _____ away
When I wish you would stay
I get stuck in a conversation
A different night, same situation
I _____ myself up
For not speaking up

[Pre-Chorus]

Every night I can't make it right, yeah

[Chorus]

_____ something on my mind
_____ something that I
(Wish I would've told you, but you just
don't seem)
(To wonder what _____ when
_____ close to me)
Oh yeah
_____ something on my chest
I _____ I would've said
(I think it over and it might be true)
(I'm only overthinking when I'm close
to you)

[Outro]

Only overthinking when I'm close to
you
I'm only overthinking when I'm close to
you
I'm only overthinking when I'm close to
you, oh yeah
I'm only overthinking when I'm close to
you
I'm only overthinking when I'm close to
you
I'm only overthinking when I'm close to
you, oh yeah
