4.

Complete the film review with the words below.

director • scene • make-up artist • special effects
lead role • supporting actors • setting

HOUSE OF HORROR FILM REVIEWS

The film *Dracula Untold* is excellent. The

1. is Transylvania in the 1400s, but the 2., Gary Shore, decided to make the film in Northern Ireland.

Luke Evans plays the 3., Dracula, and he does an excellent job. Dominic Cooper and Sarah Gadon, the 4., have smaller roles. Luke Evans looks very different in parts of the film because the 5. changed his appearance and made him look horrible. The 6. are amazing too. For example, Dracula's castle isn't a real building. It's a digital simulation. My favourite 7. in the film is when Dracula first becomes a vampire. Go and see *Dracula Untold*!

Jack Owens, Leeds
