

ADVERBS OF MANNER

Adverbs

We use adjectives to describe nouns (things). We use adverbs to describe verbs (actions).

Adjective	Example	Change	Adverbs
most adjectives	slow	+ -ly	slowly
ends consonant + -y	healthy	>y<+ -ily	healthily

Some adverbs are irregular. **Good** changes to **well** and **fast** becomes **fast**. We put adverbs at the end of a sentence, or after a verb. Compare with adjectives.
