Hi Lily,

How are you? Did you        my texts? I hope you did, but you        reply. Did your concert        OK? I know you        very nervous about it! We went to visit my aunt and uncle       . They live in this        old house near the sea so we went to play on the beach. We        lunch on the beach too - a lovely picnic! Then        morning, we went to the swimming pool - the sea is too cold to swim in here!

Anyway, I have to go and eat.

Text me!

Lots of       ,

Max
