

Q. Read the paragraph and fill in the gaps with the suitable words from the box.

coat	exciting	tiring	job	hospital
people	doctor	friendly	cheerful	treats

My name is Ahmed and I am going to tell you about my favourite . I want to have an job. That's why I want to be a . A doctor sick people. He wears a white and uses his stethoscope. He usually stays in his room. He meets different every day. He works in a or a clinic. A doctor needs to be and caring. He also needs to be very careful. Being a doctor can be and stressful at times but I think I can handle it because I am very active and . I think this is the best job in the world!
