

## LISTENING MOCK TEST 02

### Section 1

You will hear a number of different recordings and you have to answer questions on what you hear. There will be time for you to read the instructions and questions and you have a chance to check your work. All the recordings will be played **once only**. The test is in 4 Sections. At the end of the test you will be given **10 minutes** to transfer your answers to an answersheet.

**Now turn to section 1:** You will hear a man, telephoning a library, to find out about joining. First you have some time to look at **Questions 1-10**.

You will see that there is an example which has been done for you. So **18 years** has been written on the form. Now we shall begin. You should answer the questions as you listen, because you will **NOT** hear the recording a second time.

Listen carefully and answer **Questions 1 to 10**:

### Questions 1-10

Complete the form below, using **NO MORE THAN THREE WORDS AND/OR A NUMBER** for each answer.

Fines start at £ .....	
Computers can be booked up to ..... hours in advance	
Library holds most national papers, all ....., and magazines Need ..... to use photocopier	
<b>Creative Writing class</b>	
<ul style="list-style-type: none"> <li>tutor is John ..... and</li> <li>held on ..... evenings</li> </ul>	

## Section 2

You will hear a man called Dan Pearman, talking on the radio about **Pedal Power**, a UK charity which sends bicycles to people in developing countries. First you have some time to look at **Questions 11-15**.

Listen carefully and answer **Questions 11 to 15**:

### Questions 11-15

Choose the correct letter, **A**, **B**, or **C**.

**11** In 1993 Dan Pearman went to Ecuador

- as a tourist guide.
- as part of his studies.
- as a voluntary worker.

**12** Dan's neighbour was successful in business because he

- employed carpenters from the area.
- was the most skilled craftsman in the town.
- found it easy to reach customers.

**13** Dan says the charity relies on

- getting enough bicycles to send regularly.
- finding new areas which need the bicycles.
- charging for the bicycles it sends abroad.

**14** What does Dan say about the town of Rivas?

- It has received the greatest number of bikes.
- It has almost as many bikes as Amsterdam.
- Its economy has been totally transformed.

**15** What problem did the charity face in August 2000?

- It couldn't meet its overheads.
- It had to delay sending the bikes.
- It was criticised in the British media.

### Questions 16 and 17

*Answer the questions below.*

*Write **NO MORE THAN ONE WORD OR A NUMBER** for each answer.*

**16** How much money did the charity receive when it won an award? £

**17** What is the charity currently hoping to buy?

## Questions 18-20

Choose **THREE** letters **A-G**.

Which **THREE** things can the general public do to help the charity Pedal Power?

- A** organise a bicycle collection
- B** repair the donated bikes
- C** donate their unwanted tools
- D** do voluntary work in its office
- E** hold an event to raise money
- F** identify areas that need bikes
- G** write to the government

## Section 3

You will hear a discussion between a college tutor and two students, Cristina and Ibrahim.
