Subject: New Year's holiday

Hi, Emma,
How are you?
Are you excited about the New Year's holiday? I can't wait. This year I'm helping my parents prepare the house for our New Year's Eve dinner party. We have to decorate our home and also buy some traditional food to cook. Some of our friends are coming and bringing gifts, too. After that, we will plan some games for New Year's Day.
What's your family doing for the New Year's holiday? How do you prepare for it?
Write back soon!
Sarah
