Hi Carla,

I'm having an amazing vacation in New Zealand. It's a beautiful place. The countryside is quiet and peaceful and there are a lot of sheep. But my vacation is not just quiet and peaceful! Even though it's a small country, New Zealand is one of the best places to have big adventures. You can try a different extreme sport here every day!

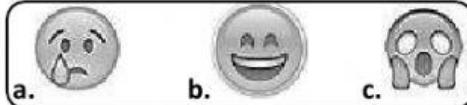

One of them is bungy jumping. There is a 43-meter drop from the bridge to the water below. It's scary to look down over the edge of the bridge, but jumping is so exciting!

Another fun sport you can do here is white-water rafting. The cold water feels great on a hot day. And on each side of the river are beautiful mountains. You can go hiking in the afternoon after rafting and take lots of pictures. I'm sending you one now.

Today, I'm going mountain biking. I'm having so much fun! I wish I didn't have to go home on Friday. But I am looking forward to seeing you!

See you soon,
Ben
