KENSUKE'S KINGDOM – CHAPTER 6

■ Put these 10 events in order.

- A **fearsome storm** broke over the island and made Michael find shelter in his cave.
- A **jellyfish** attacked Michael who felt an immediate pain and started to drown.
- Michael expressed his frustration and anger by making a **man-size sculpture** of his captor and jumping up and down on it.
- He decided to build a huge **smoke signal** in a secret place.
- Kensuke **prohibited** Michael to swim after the storm.
- When he realized he was being kept as a **prisoner**, he felt really angry.
- Michael was turning on the fire after seeing the **Chinese ship** when Kensuke found him and destroyed his beacon.
- Michael **defied** Kensuke by swimming in spite of his command.
- An orang-utan seemed to be **spying on him**.
- Michael started jumping, waving and shouting so that the **super tanker** could see him.
