Activity 20

Lab

Run the program below and answer the following questions.

```
1. #Do I need to go to school
2. for Day in 1, 2, 3, 4, 5:
3.       print("Today is Day: ", Day)
4.       print("Wake up and go to school.")
5. print("I miss scholl.")
```

- How many times is the "Wake up and go to school." message printed?
- What about the "I miss school." message? Why?

Run the program and explain where the number of the day is coming from.
