UNIT 12: NUMBERS TO ONE THOUSAND

Forming tens to ONE HUNDRED is easy. All you have to do is remember the numbers from TWELVE to NINETEEN and replace the ending -teen with the ending -ty.

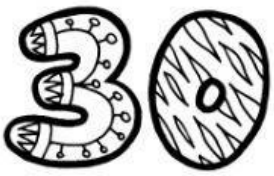

ACTIVITY 1: Using the rule above, form tens to one hundred.

ten

twenty

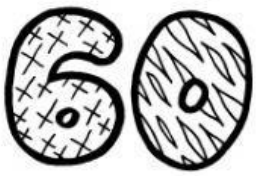

thir____

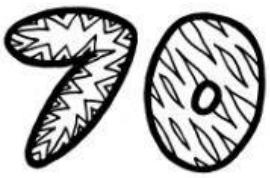

_____

fif____

_____

_____

_____

_____

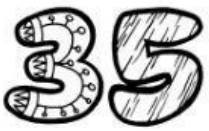

one hundred

ACTIVITY 2: Now form random numbers to one hundred. Follow the example.

twenty-seven

_____

_____

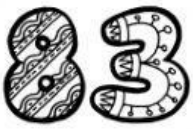

_____

_____
