LISTENING

[CLASSIFICATION TASKS]

⊙ Sometimes in the test you will be asked to match several pieces of information with three different options. Like with other matching exercises, you must listen for ideas, since the same word will often not be used on the recording as in the question.

The options with letters (A–C) can be used more than once. The numbered information you must find (1–5) will be in the order that you will hear it.
