- a. pollution b. traffic c. factory

II. Complete the text with the correct form of the words from the box. (5 points)

• bike • car • city • hole • pollution • traffic

Nearly every country in the world has ⁰cities. Some are very big and some are small, but they all have lots of ¹..... on the roads. That's why in many places ²..... can't drive in city centres. This is because they create too much ³.....

In places like London, Barcelona and New York there are ⁴..... outside the train or bus stations. These are cleaner and they help you stay fit. In those cities there aren't many ⁵..... in the roads so cycling is quite safe.

III. Complete the sentences. Use TOO MUCH, TOO MANY, ISN'T ENOUGH, AREN'T ENOUGH. (8 points)

1. We waste electricity.
2. There information to complete the task the teacher gave us.
3. There people in this town.
4. There money in my wallet.
5. There traffic in Santiago.
6. There pollution from this factory.
7. There shops in town.
8. There noise in this classroom.

IV. Complete the text with the words from the box. (4 points)

• enough • ~~too many~~ • not enough • too much x2

I live in London and I mostly love it, but there are some things I don't like. There are ⁰too many people in the centre and it gets very crowded in places like Oxford Street. The air isn't clean ¹..... because there is ²..... pollution from cars. There are ³..... buses that go from the centre to my part of the city. Sometimes I wait for half an hour for a bus! I think there are too many modern buildings now. I like the parks, but there is ⁴..... rain to enjoy being in them.
