Murder Mystery!

Upon checking the victim's call history, we found out that numerous calls were made to her house by an unknown caller. Who could it be?

The victim looked incredibly pale, as if her soul was sucked out of her. In addition she had two puncture holes on her neck.

This victim had an older brother by the name of Victor. The kill looked personal, as if the killer did it as a revenge.

This victim is a child of no more than 12 years. He looks scared, as if looking at his biggest fear, before dying.
