SINCE, AGO ou FOR? Agora você sabe!

Em inglês, usamos as palavras since, ago, e for para expressar quando algo teve início. Since significa "desde" ou "desde que", e indica o momento em que algo começou. A palavra quase sempre é usada com o present perfect.

Conheço ele desde que eu era criança.

Ann has worked here since 2007.

It has rained every day since April.

Ago também se refere ao momento em que algo começou, mas, diferentemente de since, enfatiza a quantidade de tempo que se passou.

A palavra quase sempre é usada com o past simple. Observe também que ago sempre segue a expressão de tempo.

I met him 20 years ago.
Conheci ele 20 anos atrás.

Ann visited us 10 years ago.
Ann nos visitou 10 anos atrás.

It started raining three months ago.

Começou a chover três meses atrás.

For se refere à duração de algo. Pode ser usado com o present perfect, o past simple ou outros tempos verbais.

I've known him for 20 years.
Eu conheço ele há 20 anos.

Ann worked there for 10 years.
A Ann trabalhou lá por 10 anos.

It rained for three months.
