

THIRD WRITING TASK

Write an opinion essay about the following statement: "*The world will be a more difficult place to live in the future*". Use **Future Simple (will - won't)** and **Be going to**. (80 - 100 words)

You should use the following sentences to connect your ideas:

To express your opinion:

- First of all, / I think that / In my opinion,
- Secondly, / In addition,

To express something that is different from what you've previously said:

- On the other hand,

Conclusion:

- To sum up, / In conclusion,

Example sentences:

I think that the Earth will be hotter than now because of global warming.

In my opinion, sea animals are going to die because we don't recycle enough plastic bags.
