

## Geography

### Final Exam Term (1)

#### Year 7

**Answer all the questions.**

**I. Pick the words from the box below and fill in the gaps.**

Early human movement can be called the Journey of Man. Fill in the gaps in these paragraphs. Choose words from the box.

Humans first appeared in East \_\_\_\_\_. It took us \_\_\_\_\_ years to reach Britain. However, as we moved 60 000 years ago ice was a problem. Many places were covered in ice \_\_\_\_\_. The Ice Age was cold so humans left Britain and went to warmer parts of \_\_\_\_\_. When the ice began to melt, we came back!

Some ocean floor got \_\_\_\_\_ of water which meant that we could walk across areas that used to be sea. Land created like this is often called a land \_\_\_\_\_. When humans left Africa we had a dark skin, but as we moved away from the \_\_\_\_\_ the sunlight became weaker and our skin \_\_\_\_\_ changed. Now humans have a range of skin colours across the world!
