EASY ON ME by Adele

There ain't no gold in this _____
That I've been washing my _____ in forever
I know there is hope in these _____
But I can't bring myself to _____
When I am drowning in this _____
Baby, let me in

Go easy on me, baby
I was still a _____
Didn't get the _____ to
Feel the _____ around me
I had no _____ to choose
What I chose to _____
So go easy on me

There ain't no room for things to _____
When we are both so deeply stuck in our _____
You can't deny how _____ I have tried
I changed who I was to put you both _____
But now I give up

Go easy on me, baby
I was still a _____
Didn't get the _____ to
Feel the _____ around me
Had no _____ to choose
What I chose to _____
So go easy on me

I had good _____
And the highest _____
But I know right now
That probably doesn't even _____

Go easy on me, baby
I was still a _____
I didn't get the _____ to
Feel the _____ around me
I had no _____ to choose
What I chose to _____
So go easy on me
