

### Heal the world

There's a place in your heart  
And I know that it is love  
And this place it was brighter than  
tomorrow  
And if you really try  
You'll find there's no need to cry  
In this place you'll feel there's no hurt or  
sorrow

There are ways to get there  
If you care enough for the living  
Make a little space  
Make a better place  
Heal the world  
Make it a better place  
For you and for me, and the entire human  
race

There are people dying  
If you care enough for the living  
Make a better place for you and for me  
If you want to know why  
There's love that cannot lie  
Love is strong  
It only cares of joyful giving  
If we try we shall see  
In this bliss we cannot feel  
Fear of dread, we stop existing and start  
living

Then it feels that always  
Love's enough for us growing  
Make a better world  
So make a better world  
Heal the world  
Make it a better place  
For you and for me, and the entire human  
race  
There are people dying

If you care enough for the living  
Make a better place for you and for me  
And the dream we were conceived in will  
reveal a joyful face  
And the world we once believed in will shine  
again in grace  
Then why do we keep strangling life  
Wound this earth, crucify its soul?  
Though it's plain to see, this world is  
heavenly  
Be god's glow

We could fly so high  
Let our spirits never die  
In my heart I feel you are all my brothers  
Create a world with no fear  
Together we cry happy tears  
See the nations turn their swords into  
plowshares

We could really get there  
If you cared enough for the living  
Make a little space  
To make a better place  
Heal the world  
Make it a better place  
For you and for me, and the entire human  
race

There are people dying  
If you care enough for the living  
Make a better place for you and for me  
Heal the world  
Make it a better place  
For you and for me, and the entire human  
race  
There are people dying  
If you care enough for the living  
Make a better place for you and for me
