

Grammar

First conditional

Talking about possible situations and their results

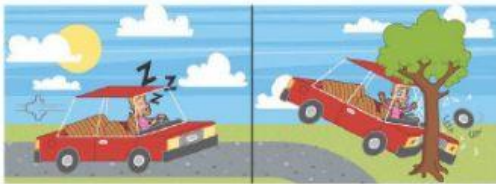

1 Look at the chart.

If clause (simple present)	Result clause (will / won't)
Affirmative	
If the Sun gets hotter,	the oceans will evaporate.
Negative	
If we pollute the environment,	animals won't have a place to live.

2 Find the extra will in each sentence and cross it out.

- If the temperature **will** becomes warmer, the snow and ice will melt.
- If we will recycle, we won't use up the things we need.
- If people will stop littering, the city will be cleaner.
- Animals won't become extinct if they will adapt.

3 Look at the pictures. Complete the sentences with the correct form of the verbs in parentheses.

- If she **sleeps** (sleep), she **'ll have** (have) an accident.

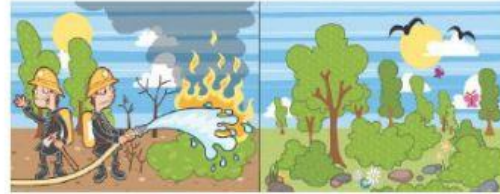

- If he _____ (practice) more, he _____ (play) on the team.

- If she _____ (drive) faster, she _____ (not lose) the race.

- If they _____ (clean up) the river, it _____ (not be) polluted.

- If they _____ (put out) the fire, it _____ (not destroy) the forest.

- If you _____ (run), you _____ (catch) the bus.

4

Over to you!

Say the beginning of a conditional sentence.
Can another student complete your sentence?
Use the words below. Ask and answer in class.

I don't study for my test
I have time on Sunday
it rains the weather is hot

Student A: **If it rains ...**

Student B: **... we'll play computer games.**
