Prepositions

The Bazillions: https://youtu.be/byszemY8Pl8

Preposition, it's ---------- tell me tell me tell me my exact position.
I could me ----------, or outside my house. Am I across the street?
Or---------- your reach, I could ---------- or fall off my chairs.
Am I front of you, I you ---------- too.

Preposition, it's your mission ----------, tell me, tell me my exact position.
----------, it's your mission to tell me, tell me, tell me my exact position.

Take---------- me so we'll go by the sea, and along the path.
Take us around and back, and---------- the waves or inside a key.
And before we're through, we jump the moon

Preposition, it's your mission ----------, tell me, tell me my exact position.
----------, it's your mission to tell me, tell me, and tell me my exact position.

I could be ----------, or outside my house and I----------the street.
All within your reach, I could go up the stairs, or I fall off of my chairs.
I am in---------- and behind me too.

I'm about to say, without ---------- delay. When you next to me, that's where I want be. Now we are ---------- but we are---------- good friends
So that we are after... One more time.

Preposition, it's your mission ----------, tell me, tell me my exact position.----------, it's your mission to tell me, tell me, tell me my exact position.
